Students and Parents of USD #466:

It is time again for school Athletic Physicals. The physicals will be done this year on two dates only. All students requiring an athletic physical will be charged a discounted \$25.00 fee for the service. This fee will NOT be billed to health insurance and must be paid at the time of the physical. Debit cards and Cash/Checks will be accepted. They cannot be charged. If this fee creates a hardship for some families, they are encouraged to request charity care before receiving the physical.

Please note that this charge is ONLY for athletic physicals required by USD #466. Any other medical question, physical or service will require a regular office visit and clinic fees will be applied. If you cannot make one of the scheduled times for the physicals, a regular office visit will need to be scheduled and regular fees will also be applied.

The date and time for the physicals are:
Wednesday June 17, 2015 from 5PM to 6PM
Saturday morning June 20, 2015 from 9AM to 10AM

The school is providing the physical form and authorization form that each student will need at the time of the exam. It is your responsibility to bring these with you.

Please call Vicki Dirks or Vicki Carson if you have any questions.

Thank you,

D. Mark Burnett, President and CEO
Scott County Hospital
